

District Engagement, Well-Being and Resiliency Survey

Twin Rivers Education Centre will be participating in an online survey for students. All students will be invited to respond to this survey between October 9th and October 16th. The survey allows students to share their feedback anonymously on their experiences at school. Participation in the survey is voluntary, however all students are encouraged to participate. For more information about this survey please visit The Learning Bar's website: www.thelearningbar.com. If you have any questions, please contact Ms. Dye at the school.
